

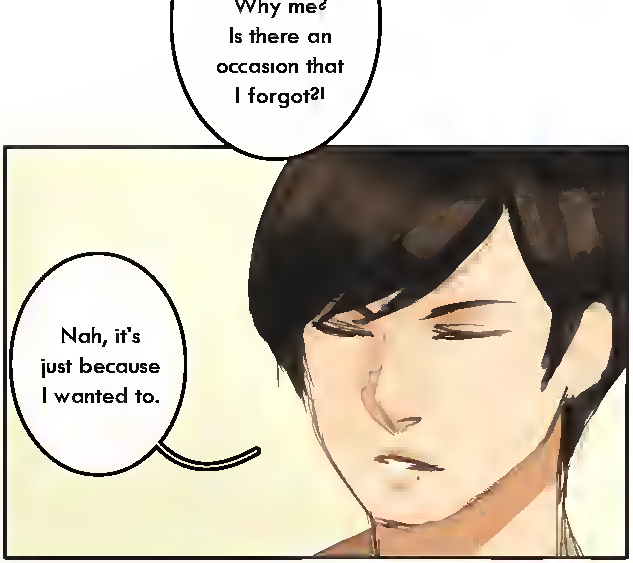
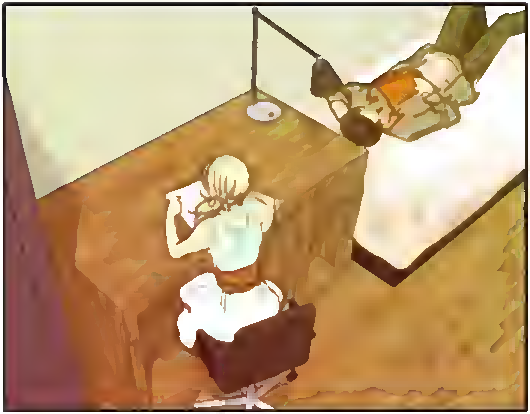
LINE Webtoon



Why me?
Is there an occasion that I forgot?!
Nah, it's just because I wanted to.



Do you believe in the existence

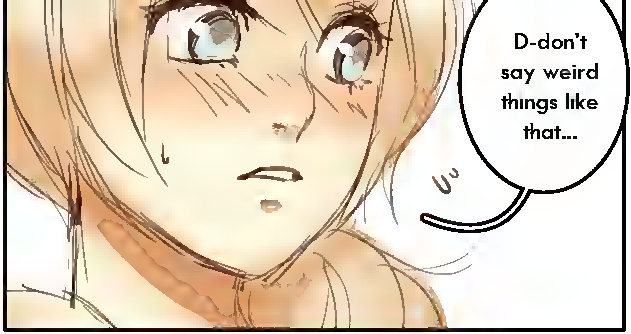
A-and it's nat that ballet has traumatized me... I still admire the art of it, even thaugh I quit.
I just don't have the talent for dancing anymore. I'd anly disappaint people...

NAME OF THE SONG

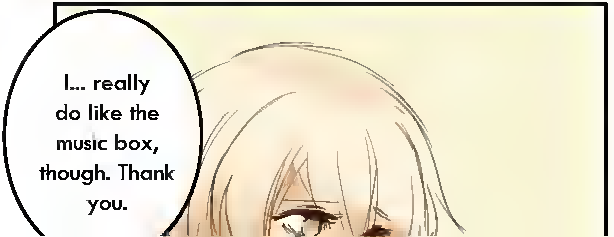
TRACK 4

<Wistful Serenade Part.2>

Landon...



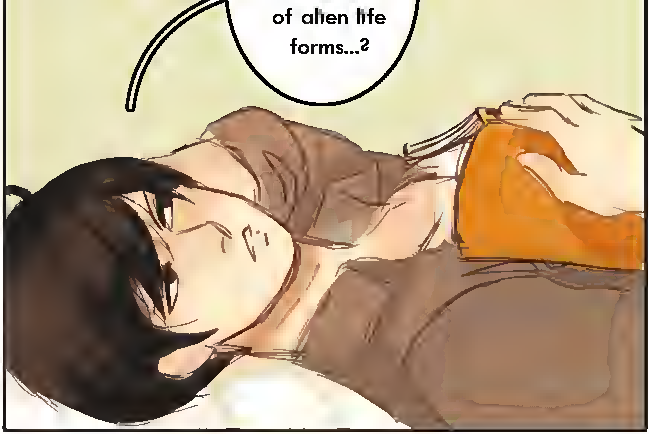
D-don't say weird things like that...



I... really do like the music box, though. Thank you.

No...
Actually, I got *you* something.
Me?
W-wait--

W-wait--



of alien life forms...?

Hm?

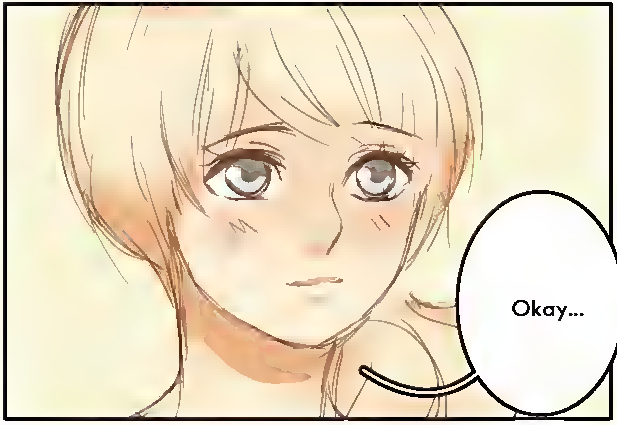
Background music by

Kenny

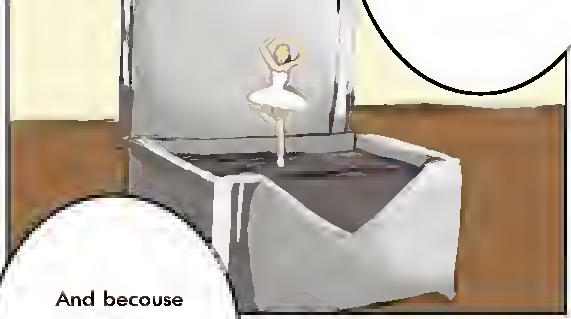
where
Tangents
meet

Please have your sound on for this chapter

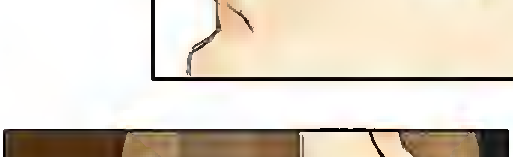
where



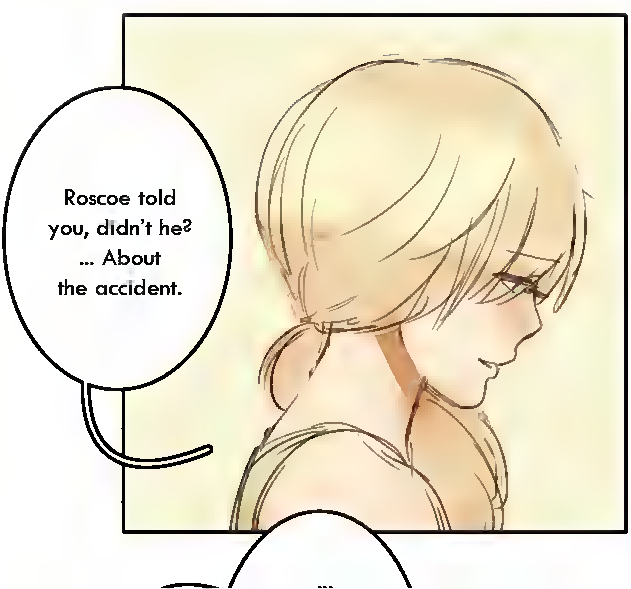
Okay...



And becouse of thot, it hos left you with o lot of insecurities.

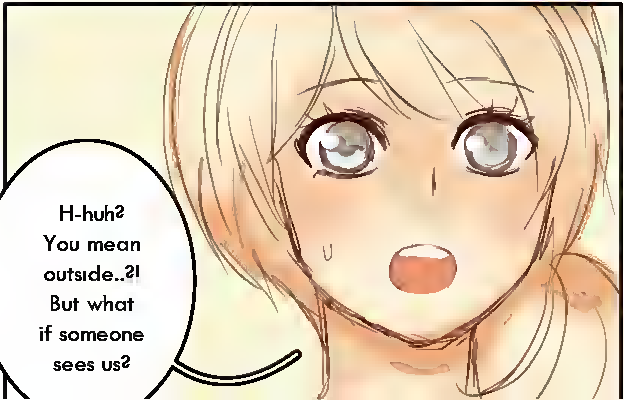


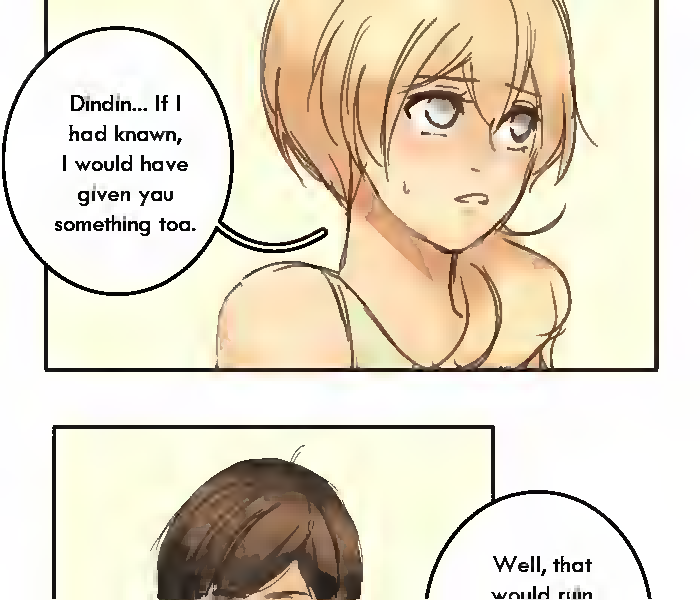
It's so pretty...



Roscoe told you, didn't he? ... About the accident.
...

Let's go out together next time.





Dindin... If I had knawn, I would have given yau something toa.
Well, that would ruin

Sure, I don't see why not.
Roscoe believes in *zombies*. He's *scared* of them. *hehe*

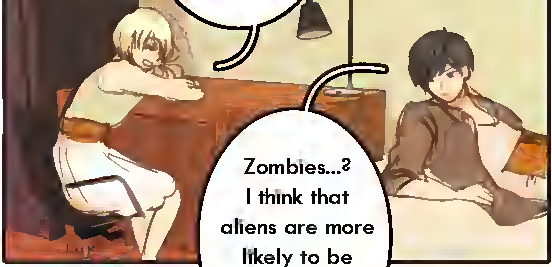
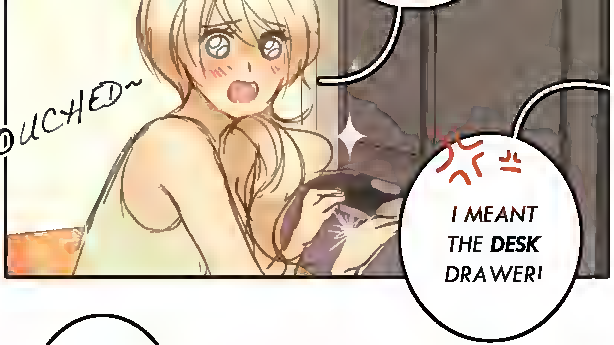
Landon © instantmiso
Rochelle © sachiin



Zombies...? I think that aliens are more likely to be real, don't you think?

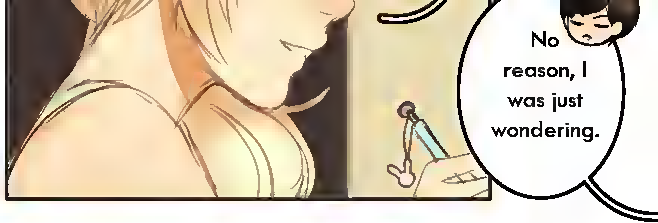
Perhaps. Why do you ask?

Well, not with *that* attitude.
It can't *possibly* be *that* hard to spin around and whatnot.

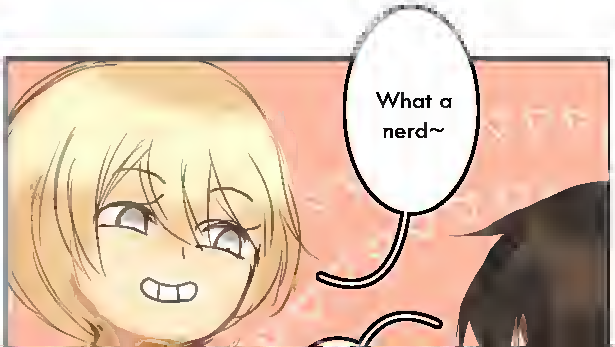


TOUCHED~
I MEANT THE DESK DRAWER!

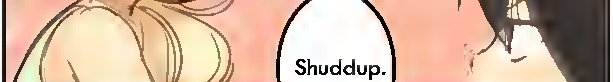
Oh-- whoops.



No reason, I was just wondering.



What a nerd~



Shuddup.

giggle
So how was shopping the other day? Did you get anything space-geeky?

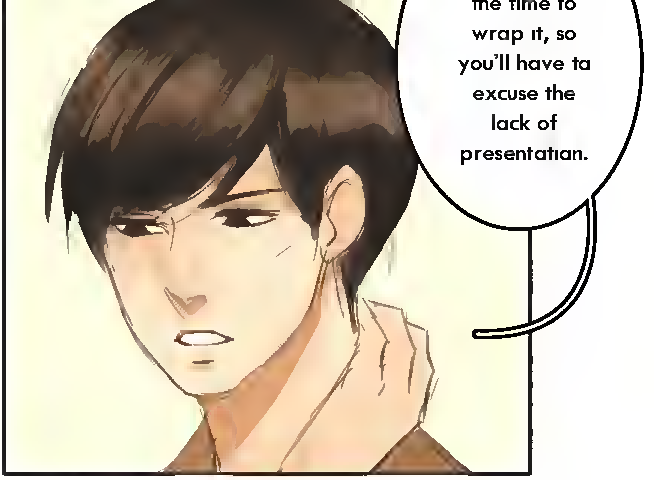
I guess...
I just wonted
to remind you
thot your past
is still o part
of you.
And despite
oll your hordships,
it's still on influence
on who you ore
right now.

fine. I feel that you have every right to know...

Don't get me

I chose the present because I instantly thought of her when I first saw it...

Though I hadn't put much thought into if she'd really like it or not.

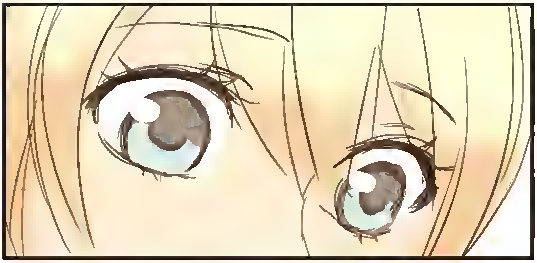


the time to wrap it, so you'll have ta excuse the lack of presentatian.

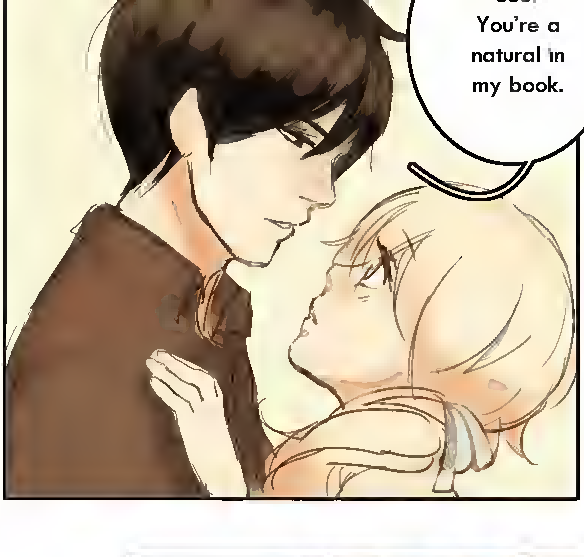
wrong, I'm not trying to bring back old traumo or force you to proctice bollet again...
It's just... I've noticed you tend to compore yourself to how you were before...

K-kind
of...
A-also...
what
if Roscoe
walks in?
We can

OPENS



I didn't have

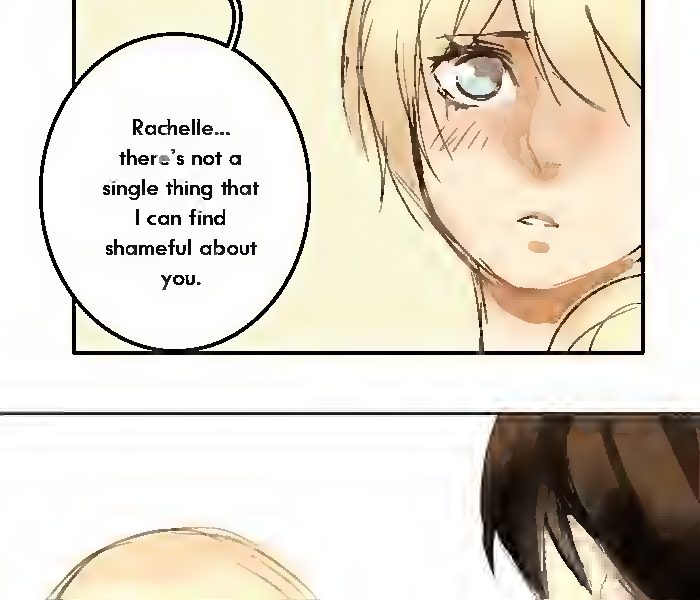


You're a natural in my book.

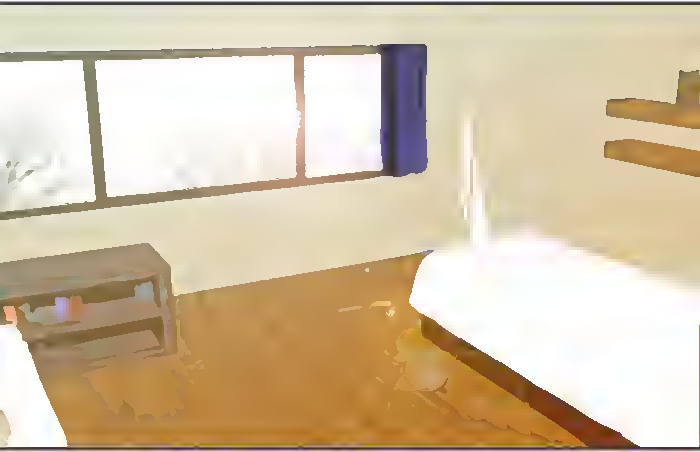
Let's.

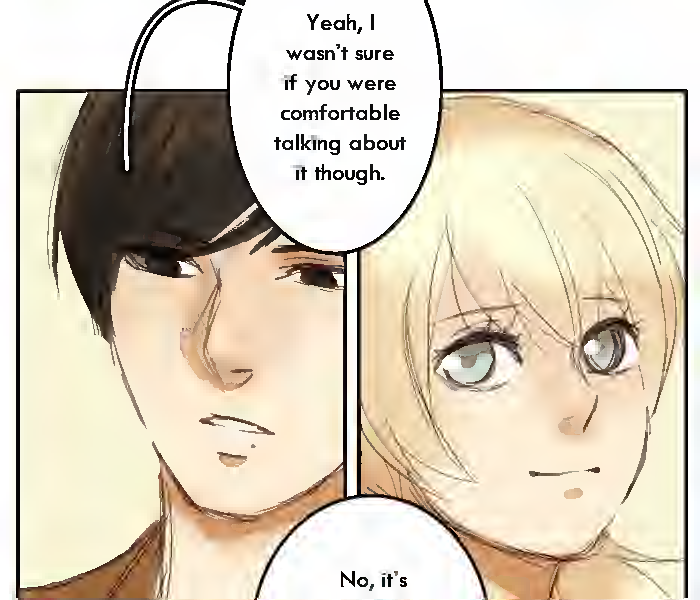
Is it
...?

See?



Rachelle... there's not a single thing that I can find shameful about you.



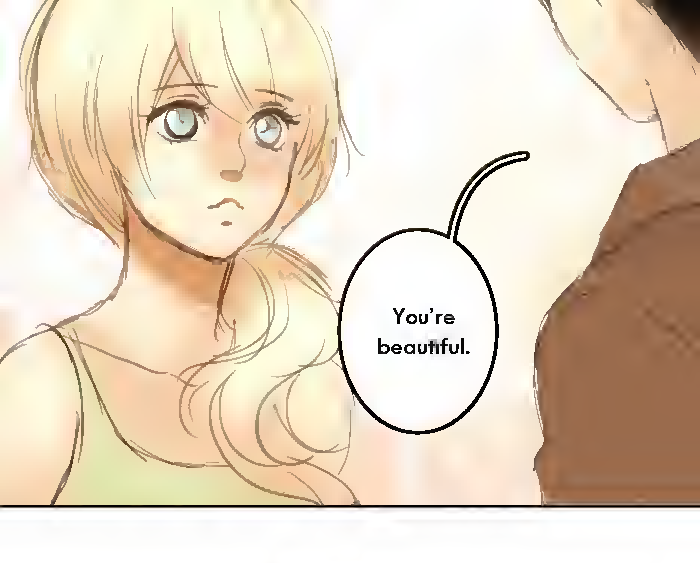


Yeah, I wasn't sure if you were comfortable talking about it though.
No, it's

pretend we're zombies.

Seriously?

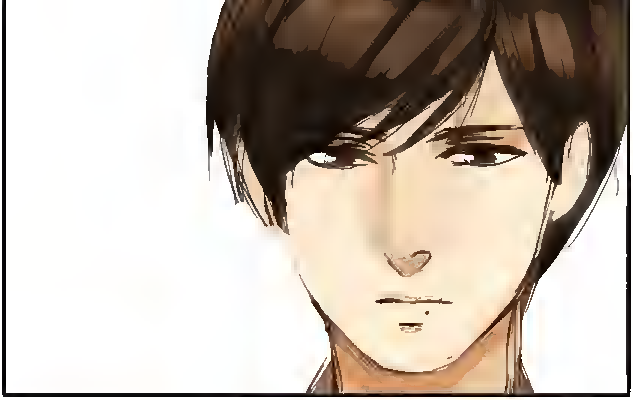
No, I'm kidding.



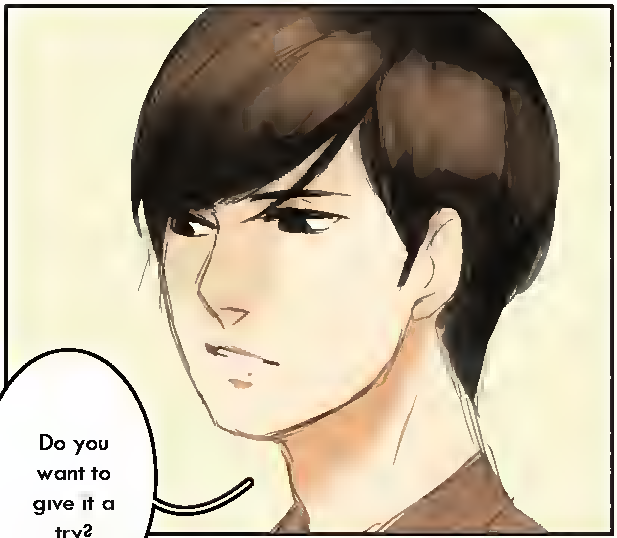
You're beautiful.

the purpose of it being a surprise, right?
Check the drawer beside you. It should be in there...
You got me men's boxers? You shouldn't have!

Pfft--
It's a lot more than just spinning around, Dindin!
laughs



Well, if you think about it, we've gone out a few times before.
We'll just have to be discreet about being a couple in public.



Do you want to give it a try?
